

Action Item Description		Coordinating Organization	Internal Partners	External Partners
<b>Goal 1: Reduce risk posed by seismic, flood, and severe storm events to the physical campus</b>				
1.1	Continue redundancy planning for Telecom/Network Services	Telecom Services, Network Services, Computing Center	Facilities, Computing, Deans/Department Heads, InfoGraphics, Departmental Computing Group	Lane Council of Governments
1.2	Evaluate the vulnerability of campus utilities	Facilities Services	Telecom/Network Services, InfoGraphics, EHS	EWEB, City of Eugene
1.3	Pursue project to move power lines underground on University Street near Pioneer Cemetery and McArthur Court	Facilities Services	Planning	EWEB
1.4	Develop a post-disaster debris management plan	Facilities Services	Housing, DPS, ONHW, EHS	City of Eugene, Lane County
1.5	Continue to enhance and integrate risk reduction attributes into building and spatial data sets for campus	InfoGraphics Lab	Facilities, Planning, EHS, Registrar	Oregon University System, City of Eugene, Lane County
1.6	Assess the structural vulnerability of building stock by qualified engineers	Facilities Services	EHS, Planning, Department of Architecture	Contracted structural engineer, FEMA
1.7	Develop proposals and secure funding to complete retro-fit projects for buildings that qualify for FEMA funding	Planning, Advisory Committee	Office of the President, Office of the Provost, Facilities, Dept. of Architecture, Planning, ORSA	Contracted structural engineer, FEMA, OUS
1.8	Develop a campus wide strategy to implement non-structural mitigation practices	EHS	Facilities, Auxiliary Units, Dept. of Architecture	
1.9	Evaluate and update the campus Storm Water Management Plan	Facilities Services	Planning, EHS, InfoGraphics	City of Eugene
1.1	Enhance Campus Tree Inventory	InfoGraphics Lab, Planning	Facilities, Landscape Architecture Department	City of Eugene
1.11	Develop coordinated Mill Race flooding protocol with the City of Eugene	Facilities Services	EHS	City of Eugene
1.12	Develop and implement landscaping and tree standards to reduce urban flooding and to keep trees from threatening lives, property, and infrastructure	Facilities Services	Planning, Landscape Architecture Department	

Action Item Description	Coordinating Organization	Internal Partners	External Partners
<b>Goal 2: Enhance resiliency of teaching, research, and administrative services.</b>			
2.1 Develop a comprehensive business continuity plan for the university	Business Affairs, Advisory Committee	ONHW, Auxiliary Units, Central Administration	City of Eugene
2.2 Develop a post-disaster recovery plan for campus	Advisory Committee, ONHW	DPS, EHS, Auxiliary Units, Central Administration, Business Affairs	LCC, City of Eugene, Lane County, Contractors, Partners for Disaster Resitance and Resilience
2.3 Develop appropriate annexes to be included in the University of Oregon Natural Hazard Mitigation Plan for university properties outside the approved campus boundaries	Advisory Committee, ONHW	DPS, Housing, InfoGraphics, Off-campus Coordinators, Athletics	
<b>Goal 3: Enhance emergency services</b>			
3.1 Develop a comprehensive notification process about campus closures/delays due to potential disasters	DPS	Human Resources, EHS, Telecom, Facilities, Computing Center, Administrative Services	Local media stations, City of Eugene
3.2 Appoint and train Campus Emergency Response Teams (CERT) to respond to disasters on campus	DPS, ONHW	Facilities, Human Resources, Health Center, Housing, ASUO	Eugene Fire Department, City of Eugene
3.3 Change or retrofit the location of emergency response functions, specifically the two-way radio system repeaters and antennas on top of Prince Lucien Campbell (PLC) and the Emergency Operations Center, so that they are placed in locations on campus most likely to continue to be operational after a disaster	Advisory Committee	DPS, Planning, Telecom/Network Services	

Action Item Description	Coordinating Organization	Internal Partners	External Partners
<b>Goal 4 Increase awareness and promote risk reduction activities through education and outreach</b>			
4.1 Develop public awareness information campaign for incoming and current students. The campaign should focus on pertinent information regarding natural hazards, the campus, and what students can do to reduce their own risk	Student Life, ONHW	EHS, Housing, DPS, ASUO, InfoGraphics	
4.2 Develop outreach strategy for educating faculty and staff about ways that they can reduce risk to personal spaces and intellectual property (i.e., non-structural mitigation practices for offices, data back-up practices).	ONHW, EHS	Business Affairs, Human Resources, DPS, Academic Affairs, InfoGraphics	
4.3 Provide outreach and training to decision makers (i.e., Academic Deans, Department Heads, and the President's Policy Council) to educate them about ways to integrate mitigation into everyday practices throughout campus	ONHW, EHS	Academic Affairs, Department Heads, University Advancement	
4.4 Develop an awareness strategy targeted at visitors (i.e., camps, sporting events).	DPS, ONHW	Scheduling, UO Foundation, Alumni Association, Athletic Association, University Advancement, Conference Services, Parking, InfoGraphics, Publications, Auxiliary Units	Local Media, OUS

	Action Item Description	Coordinating Organization	Internal Partners	External Partners
<b>Goal 5: Integrate risk reduction strategies into university plans, policies and practices</b>				
5.1	Integrate non-structural hazards into university purchasing operation practices	Business Affairs, ONHW	Auxiliary Units, Department Heads	Business Supply Companies
5.2	Include mitigation practices in the UO Campus Plan and standards	Planning	ONHW, Facilities	
5.3	Integrate risk reduction measures into all remodel and/or construction projects	Planning, Facilities Services	DPS, Auxiliary Units, Building Managers, Department Heads	Contractors
5.4	Include non-structural hazard checks into routine university inspections	EHS	DPS, Facilities	
5.5	Amend university scheduling practices to include consideration of seismic risk for large numbers of people	Facilities Services, Office of the Registrar	DPS, ASUO, Housing	
<b>Goal 6: Establish and maintain methods to ensure plan implementation and further mitigation practices on campus</b>				
6.1	Appoint or hire an administrative level Disaster Resistant University Coordinator to integrate emergency management functions on campus.	Campus Operations	Campus Operations, DPS	
6.2	Appoint or hire a Business Resumption Specialist to promote and coordinate resumption planning.	Advisory Committee	Campus Operations, DPS	
6.3	Develop a shared Mitigation Specialist position for the Oregon University System.	Advisory Committee	Campus Operations	
6.4	Pursue service learning opportunities to implement and maintain the plan.	Advisory Committee	Campus Operations, DPS	

Action Item Description	Coordinating Organization	Internal Partners	External Partners
<b>Goal 7: Continue to establish and enhance external partnerships to further mitigation efforts.</b>			
<b>7.1</b> Enhance partnerships between the University, the Partners for Disaster Resistance and Resilience, the City of Eugene, Lane County and the State of Oregon to collaboratively work on mitigation projects and response and recovery procedures.	ONHW, Advisory Committee	Auxiliary Units, Deans/Department Heads, Academic Affairs,	City of Eugene, Lane County, Oregon Emergency Management, Partners for Disaster Resistance and Resilience
