

In accordance with the Enabling Legislation of the legislative governance structure pertaining to the University of Oregon passed by the University Assembly on May 17, 1995, criteria for membership in the Voting Faculty at the University of Oregon is as follows (see section 4.1 – 4.3):

### Eligibility and Voting Criteria for Officers of Instruction, and Officers of Administration.

4.1 Each academic unit specified in Section 2 shall determine who is eligible for the purpose of voting for and nominating candidates to serve as officer-of-instruction senators, subject to the following limitations. All tenure-related officers of instruction holding the academic rank of instructor or higher, and employed at .50 FTE or greater, shall be eligible. No faculty person appointed at less than .50 FTE shall be eligible, nor shall any officer of administration who does not hold a tenure-related officer-of-instruction appointment in a school or college, nor shall courtesy, adjunct, or visiting faculty members, nor shall any student. Senior administrators, who are ineligible for membership on the Faculty Advisory Council, shall also be ineligible for election to the University Senate.

4.2 Officers of instruction who are appointed at .50 FTE in each of two units, as specified in section 2.2 shall declare in writing to their dean in which one of those two units they want to be eligible officer of instruction for the purpose of senate nominations and elections. The Dean shall forward the lists of eligible officer of instruction to the Secretary of the Faculty, who shall distribute the list for each unit to all eligible officers of instruction in that unit. If the Secretary is notified in writing by any eligible officer-of-instruction that he or she does not want to stand for election, that person's name shall not appear on any ballot for election.

4.3 Officers of administration, excluding those specified in section 4.1, and holding appointments at .50 FTE or greater, are eligible to be nominated for, serve as, and vote for officer-of-administration senators.
