

LA 507 Seminar W '98

M&M&Ms:

Models & Methods & Metaphors

Similarities and differences in the design theories of Philip Thiel, Carl Steinitz and Jerome Diethelm. Conversations and comparisons between the writings, concepts and design methods of the three theorists, methodologists and veteran design teachers.

1. Thiel, Philip. *People, Paths and Purposes*. University of Washington Press: Seattle, 1997
2. Steinitz, Carl. Carl's two articles on design published in the *Landscape Journal* (citations to be added)
3. Diethelm, Jerome. *Designing in an Environmental Field*. Aurora Books: Eugene, 1998
