

General Science Program Winter 2007 Newsletter

GTF Advisors and Winter Office Hours

Please stop by the General Science Office, 149 Willamette Hall, with questions or concerns.

Advisors Winter Term:

Chris Bowman @ cbowman1@uoregon.edu

Kat Seikel @ kseikel@uoregon.edu

Winter Term Hours:

Mondays 1:30-5:00 Tuesdays 8:30-11:30
Wednesdays 11:00-3:00 Thursdays 8:30-11:30
Fridays 9:30-3:00

For help outside of the posted office hours:

See Dr. James Schombert, Director of General Science, 461 Willamette Hall
or
e-mail gensci@uoregon.edu

New Advisors

Kate Metzger and Chris O'Bryan are no longer GenSci Advisors. Kate finished up at the U of O and has taken a job with the Forest Service in Georgia. Chris is currently conducting fieldwork for her dissertation. Two new advisors join us for Winter term:

Kat Seikel is currently working towards a Masters in Anthropology. She graduated from Indiana University with a BA in Anthropology in 2005. While at IU Kat studied in Australia and participated in an archaeological field school in Belize. She has also conducted fieldwork in Wyoming. Her research is focused on archaeology in the Pacific Islands with a specific interest in the Island of Pohnpei.

Christine Bowman is currently a Master's student in Geography at the U of O. She is originally from Long Beach, California and graduated with a B.A. in Geography from UCLA in 2005. She has a strong background in hydrology and fluvial geomorphology and is interested in stream restoration. Her current research involves reassessing flood hazards along the McKenzie River in Springfield, Oregon.

General Science Program requirements in brief:

Lower division: 3 complete sequences in listed departments—2 must have labs; the third sequence may be taken without labs.

Upper division: 32 credits—12 in one emphasis area, 12 in a second emphasis area, 8 in any approved upper division course.

Math: MTH 246 & 247 OR MTH 251 & 252
Or equivalents

Visit <http://gensci.uoregon.edu/checksheet.html> for a full list of qualifying courses

*** Be sure to look at prerequisites when planning your schedule for next term, year, or your entire time at the U of O. It is important to look ahead and make sure you're going to be able to get into that class you really want to take when it's offered.

Don't Forget!**Apply Now for Financial Aid for the 2007-2008 Academic Year**

Go to <http://www.fafsa.ed.gov/> to complete your Free Application for Federal Student Aid (FAFSA). The final deadline is March 1st. Get it done ASAP!

ψ

Class of 2007: The last day to apply for Spring graduation is April 13th. To do this, go to Duckweb and under Records and Registration, click on "Apply for Undergraduate Degree"

Be sure to stop by and see us at Willamette 149 if you have questions or concerns about fulfillment of requirements and to be sure you will be graduating on time.

Studying Abroad?

Be sure to plan ahead! Deadlines are coming up soon for many Summer and Fall programs. See http://studyabroad.uoregon.edu/deadline_select.html for deadline dates. Be sure to browse around and look for available scholarships.

Winter Career Fair

Save the date - February 8th, 12:00pm-5:00pm. Come by and meet employers for career jobs, part-time employment, internships and volunteer opportunities.
