RULE SUMMARY

During the period than any employee participates in a voluntary FTE (full time equivalent) reduction program authorized by OUS, leave accruals and other benefits administered under this division will be calculated based upon the employee's FTE immediately prior to program participation and will not be reduced to reflect the reduction in FTE caused by the employee's participation in the program.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
