

Katie Tate Awards
Application Form

These awards are made to LERC program attendees in memory of Katie Tate, a long-time SEIU 503 employee and labor union activist, passed away April 7, 2010. Katie was an effective advocate for social justice and equity for workers. She represented workers at the bargaining table and served as Chief Steward, Chief General Council Delegate and on the SEIU Local 085 Executive Committee. Katie loved the work of the UO Labor Education and Research Center and attended the LERC Summer School, and many other classes. She was a LERC U-Lead graduate and felt strongly about leadership development for members.

Donations made in Katie's memory support these awards to union members who demonstrate commitment to strengthening the union movement, development of leadership skills, and advocacy on behalf of Oregon workers. Awardees will receive a full or partial reduction in participant fees for a LERC program.

To apply for an award, please complete this form. Applications must be received a minimum of three weeks before the program but we recommend earlier registration and submitting your application as soon as possible. Applications will be reviewed by a LERC faculty member and the Director.

If you have any questions about the award, please contact Deb Mailander, LERC Program Manager, at dnmail@uoregon.edu or 541.346-2895.
