ABOUT TONIGHT'S GUEST ARTIST

Residing in New York, trumpeter **Dave Scott** has been featured at the Newport Jazz Festival with Gerry Mulligan, at the Monterey Jazz Festival with Harvey Wainapel, and recently performed with the Tom Harrell Big Band in Los Angeles and New York. Dave's professional activities include performances and tours with the Clark Terry Big Band, Bobby Shew, Bob Sheppard, Vinny Golia, Gary Foster, and Joe LaBarbera. Also a fine pianist, Dave was most recently featured as a soloist on the Kim Richmond/Clay Jenkins Ensemble release "Range." He has also been featured as a trumpet solo on Kim Richmond's big band CD "Passages." Dave is currently composing for and performing with his own jazz quintet and co-leads a quartet with tenor saxophonist Tony Malaby. The group with Malaby (which also features compositions by Scott) recently released their first CD on the Nine Winds label. The quartet performs regularly in New York and on the Los Angeles County Museum of Art concert series. As a clinician and educator Dave has performed at numerous colleges across the United States and was formerly on the jazz faculty at the University of Southern California.
