TEXTS & TRANSLATIONS

Amor, Io Sento L'alma

Morten Lauridsen

Oh love, I feel my soul
Return to the fire where I
Rejoiced and more than ever desire to burn.
I burn and in bright flames
I feed my miserable heart;
The more it flames
The more my loving grows,
For all my sorrows come
From out of the fire where I
Rejoiced and more than ever desire to burn.

Io Piango

Morten Lauridsen

I'm weeping, for the grief
Makes me cry, since I
Can find no other remedy for my fire.
So trapped by Love and I
That ever I love in torment
But the more I pray the less pain I feel.
What cruel, unheard-of-fate
That silence gives me death and weeping life.
