

Enrollment and First Class Attendance Policies

IF YOU'RE ENROLLED IN AN OPP COURSE, NOTE THE FOLLOWING IMPORTANT INFORMATION!

- **We DO NOT keep wait lists for our courses** because first class attendance is mandatory... **NO EXCEPTIONS!** All OPP courses meet only once per week, so it's imperative that you arrive **on time** for the first class session.
- **If you miss, or are significantly late for the first class session** (i.e. miss important information about course content, logistics, safety practices, participation and grading policies, and instructor expectations), you will not be allowed to participate in the course. Your spot will be offered to an eligible (e.g. on time and informed) student who is interested in participating in the course. It is YOUR responsibility to drop the course on DuckWeb. The instructor cannot do this for you.
- If you're enrolled in Rock Climbing 1 or 2, but want to switch to another section of the same course, you must first drop the course you are registered in, then enroll in the course you want to switch into. If the course you want to switch into is full, you **MUST** attend the first class session to find out if a spot is available. In this instance, you will **NOT** receive priority for an open spot.

IF A COURSE IS FULL AND YOU'D LIKE TO ENROLL IN IT, PLEASE NOTE THE FOLLOWING:

- OPP courses are very popular, and most fill early. To maximize your chances of obtaining a spot if a course is full on DuckWeb, keep trying to enroll, as spaces become available when people drop the course online. **If a course remains full on Duckweb, go to (and be on time for) the first class session!**
- Some students do not attend (or are significantly late for) the first class session, making spaces available. Open spots will be offered to students in attendance. If there is a single spot, and more than one person in competition for it, the course instructor will determine, using an equitable strategy, who gets the spot.

WILDERNESS SURVIVAL IS A PREREQUISITE TO OUR BACKCOUNTRY COURSES

- A passing grade in WS is required to enroll in our backcountry courses. You will be blocked from enrolling in any backcountry course on DuckWeb until a passing grade has been recorded by the Registrar's office. Please note that you **WILL NOT** be able to talk the course instructor into waiving the Wilderness Survival prerequisite.

NON-CREDIT ENROLLMENT POLICIES

- Students are eligible to enroll as non-credit participants, on a space available basis at the first class session. Earlier enrollment is not possible.
- Credit enrollees have priority over non-credit enrollees for claiming open spots during the first class session.
- **Effective fall term 2009, credit enrollees WILL NOT be permitted to switch to non-credit enrollment after the first class session.**
