

PAPER OR PLASTIC?

Neither! Why?

The average American uses **300-700** plastic bags **PER YEAR!**

12 MILLION barrels of oil are required for the US annual plastic bag consumption.

14 MILLION trees were cut down to make **10 MILLION** paper grocery bags in 1999.

TAKE ACTION!

Refuse a bag when you
can easily carry your purchase

Bring back bags to the grocery store
or recycle them

(at Hamilton/Carson/Barnhart lobbies or across from LLC North)

USE A REUSABLE BAG!
