Research and Undergraduates: Fostering a Community of Scholars

Moderators:
Audrey Cramer Director, Office of Multicultural Academic Success and Andrew Bonamici, Associate University Librarian

Faculty Panelists:
Alisa Freedman (East Asian Languages), Kevin Hatfield (Residence Life, University Housing, Department of History), and Peter O’Day (Department of Biology and Institute of Neuroscience)

Undergraduate Panelists:
Amanda Baker (Molecular Biology), Iris Bull (Communication Studies), Vishesh Khanna (Neuroscience and Developmental Biology), Charlotte Cheng (Journalism), and Matt Villeneuve (History)

Research is an integral part of the college experience, but what are the best ways to foster strong undergraduate research agendas?

In this panel discussion colleagues and students will discuss their experiences in mentoring and participating in significant and original undergraduate academic research, scholarship, and creative expression. We will focus on the benefits and challenges of combining academic research with classroom instruction, and mentoring undergraduate scholars.

INVITATION

Week 7: Tuesday
May 10, 2:00-3:30pm
Studio A, Knight Library
To register, email Robert Voelker-Morris, rmorris1@uoregon.edu
