## Chapter 2: Morphological Processes and Conceptual Categories

### Mauwake

by Liisa Berghäll

A. Where is Mauwake spoken? \_\_\_\_\_

B. Inspect the following pairs of words with their meanings. For each pair, decide whether it constitutes a compound or a noun phrase. Give the criteria for your decisions:

- |     |                                      |   |
|-----|--------------------------------------|---|
| (1) | aas ge'lemuta<br>canoe small         | 'a small canoe'                                 |
| (2) | enow ge'lemuta<br>food small         | 'a feast'                                       |
| (3) | maa ge'lemuti-tik<br>thing small-PL  | 'small things'                                  |
| (4) | aas ge'lemuti-tik<br>canoe small-PL  | 'small canoes'                                  |
| (5) | *enow ge'lemuti-tik<br>food small-PL |   |
| (6) | 'puusum eka<br>bee water             | 'honey'   |
| (7) | i'biamun sama<br>dove ladder         | 'cross beam' (in a roof, i.e. where doves sit.) |
| (8) | e'meria 'mua<br>woman man            | 'people'  |
| (9) | 'muuka 'wiipa<br>son daughter        | 'children'                                      |
