

Project YED Parent Satisfaction Survey with Average Response Ratings

Please answer these questions, which should take about 10 to 20 minutes, to help evaluate and improve this program. Do not put your name on the paper. Your answers will be grouped with those of other parents and summarized by a researcher for a report to the teachers. Your answers will not be connected with you personally. When you are finished, put your questionnaire in the large envelop that will be sealed and mailed to the researcher. Your participation is voluntary. If you do not wish to participate, you may stop at any time.

1. How many years old is your child who is participating in the after school or summer program provided by Northwest Family Services at your child's middle school? If more than one child is participating, then answer with respect to the oldest child.
