CAS Proposal for Institution of European Studies minor

Motion: The motion was made that the Undergraduate Council endorse the proposal for the establishment of a European Studies minor to replace the Certificate in European Studies program, with changes noted during the discussion:

- add the qualification that the three required courses will be taken outside of the European Studies area;
- specify that one of the required Social Science courses for the minor is not to be a history course;
- identify the areas where there may be dearth of courses;
- update the faculty list in the proposal;
- specify the residency requirement for the minor (12 credits).
