

University Of Oregon Summary Table of Historic Rankings and Designations for Landscapes, Structures and Buildings

university Planning Office - 10/17/07

Prior to performing work on campus (repairs, alterations, etc.) refer to the Summary of Historic Preservation Regulations. It describes the steps required to ensure the UO meets all city, state, and federal historic preservation regulations.

[NOTE: This list does not include individual landscape features such as trees, plaques, memorials and sculptures. Please contact University Planning.
