

University Of Oregon
Summary Table of Historic Rankings and Designations for Landscapes, Structures, and Buildings

Campus Planning and Real Estate - 12/16/11

Prior to performing work on campus (repairs, alterations, etc.) refer to the Summary of Historic Preservation Regulations. It describes the steps required to ensure the UO meets all city, state, and federal historic preservation requirements.

[NOTE: This list does not include all individual landscape features such as educational and memorial trees, plaques, memorials and sculptures. Please contact Campus Planning and Real Estate.
