

Celebrating the Life of William Henry Harbaugh

January 16, 1920 - April 28, 2005

Memorial Services in Connecticut and Virginia

We are celebrating Bill's long and full life at two places which held special meaning for him. It is likely to be very warm at both services so, if you choose to come, we urge you to dress comfortably. For those who do attend and who would like to say a few words about Bill, there will be an opportunity to do so.

The services will be short with time for conversation and food afterwards.
