

Packaged Bathroom
by Maynard Lyndon

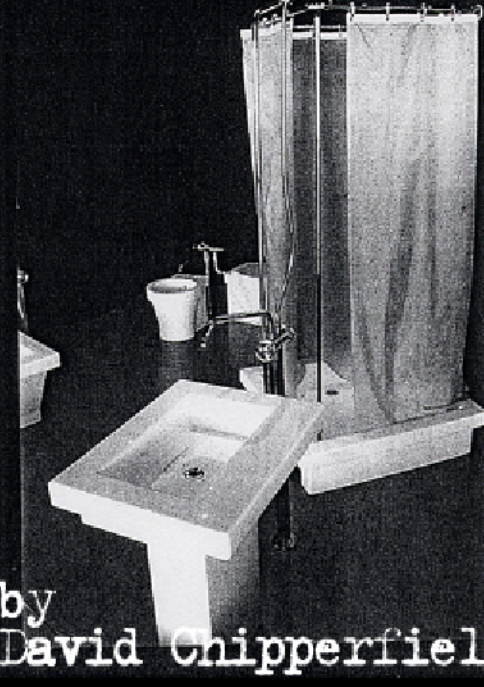

Location: adjustable

Fixtures: fixed, not adjustable,
attached to its shell

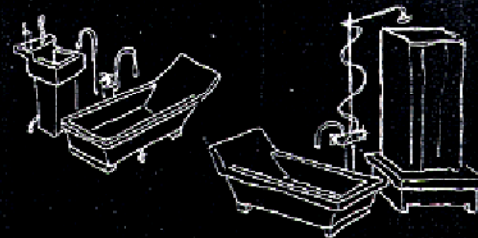

Plumbing: independent within itself,
it's a complete weatherproof
structure with minimum utility
connections

Barcelona House

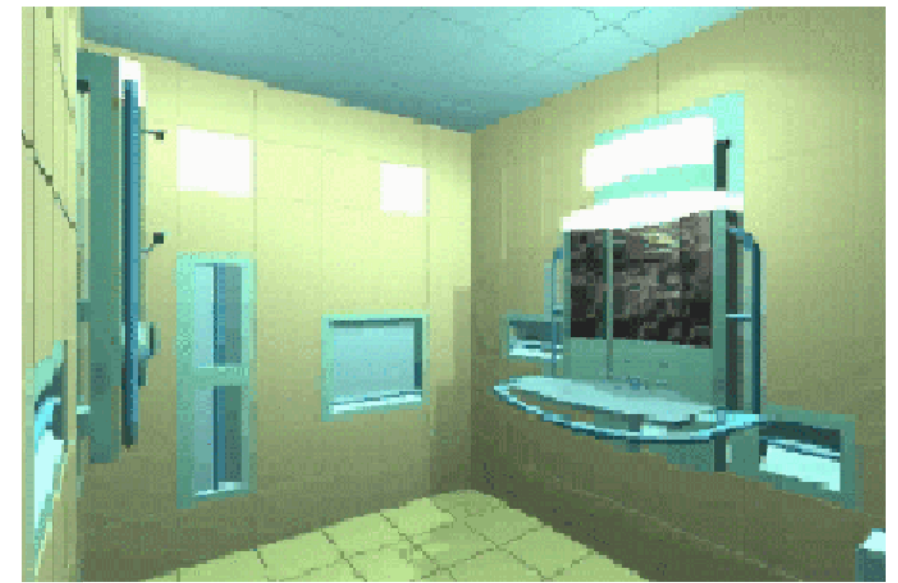

by
David Chipperfield

Location: freely adjustable

Fixtures: modular, not adjustable,
freestanding

Plumbing: installed outside the
sanitary space, similar to
'hydrant' system serving the
neighborhood of bathrooms

Universal Bathroom
by Kelley Design Group and
University at Buffalo

Location: fixed

Fixtures: modular, adjustable,
attached to a modular wall

Plumbing: well insulated &
separated pipes that transport
water & electricity located
underneath the structural
frame
