

Complete the quotation. Solve CLUES (A through CC) to fill in letter blanks, then transfer letters (e.g., A-105) to matching squares in the GRID (105-A). Work both directions, using “guessed” words in the grid to fill in blanks for clues. **Bonus prize:** When finished, the first column of blanks (reading down) will reveal the author’s name and source of this quote. **Hints at:** www.uoregon.edu/~wright
