*Season's
Greetings*

CROSSTIC 2012

Shorter! Smaller! Easier?

*Just answer the CLUES
(A through M), then transfer
each letter (e.g., E-62) to the
corresponding square in the
GRID (62-E).*

*Work both directions,
using pieces you have
solved to help you guess
more of the puzzle.*

Bonus prize: *The first
column of number-blanks
(reading downward) will
reveal the author of the
quote in the puzzle.*
