

Season's Greetings 2016

How to Solve

Answer the CLUES (A through S) and transfer letters (e.g., M-68) to the corresponding square in the GRID (68-M).

Work in both directions, using the pieces you have solved to help you guess more of the puzzle.

Bonus prize: The first letter of the CLUES, reading downward, will reveal the source book and author – this year with **initials and surname**.
