

## Season's Greetings

Just answer the CLUES (A through S), then transfer each letter (e.g., D-43) to the corresponding square in the GRID (43-D).

Work back and forth, using areas you have already solved to help figure out more of the puzzle.

Bonus prize: When you are finished, the first letters in the column of Clues (reading down) will yield the author's last name, and the *publication* in which the quote appeared.
